Beastie Boys Influenced Today's Top 40

Following the death of Beastie Boy Adam "MCA" Yauch on May 4 at age 47, several musicians expressed just how much the rap/rock group's music informed them.

"One of my favorite MC's that I have been so inspired by time and time again," Dave Matthews Band's Stefan Lessard tweeted. "Adam Yauch . . . You were a huge inspiration for us," echoed Jordan Knight of New Kids on the Block. "A true pioneer of art," Justin Timberlake added.

Twenty-five years ago, the Beastie Boys made chart history. When the trio (Yauch, Michael "Mike D" Diamond and Adam "King Ad-Rock" Horovitz) reached No. 1 on the Billboard 200 the week of March 7, 1987, with *Licensed to Ill*, the set became the first rap album to hit the summit, tallying seven consecutive weeks at No. 1. The album spun off the No. 7-peaking Billboard Hot 100 classic "(You Gotta) Fight for Your Right (To Party!)"

Rick Rubin, who produced *Licensed to Ill*, recently told the Cleveland Plain Dealer that the group was instrumental to the growth of hip-hop as a mainstream force in pop music. "The Beasties opened hip-hop music up to the suburbs," he said.

"As crazy as they were, they seemed safe to Middle America in a way black artists hadn't been up to that point."

With 20 million albums sold since Nielsen SoundScan began tracking sales data in 1991, the Beastie Boys rank as the biggest-selling rap group in SoundScan history.

Musicians reflect upon the impact of the Beastie Boys' Adam Yauch.

ASSOC. DIR./CHARTS
Gary.Trust@Billboard.Com

ALTERNATIVE ENERGY: With a 10th week atop Billboard's Nielsen BDS-based Alternative airplay chart, Gotye's "Somebody That I Used to Know," featuring Kimbra, passes Everlast's "What It's Like" (nine weeks at No. 1 in 1998-99) as the longest-reigning No. 1 by a solo artist in the chart's 23-year history. On Mainstream Top 40, the song zooms 7-4 with Greatest Gainer honors (up 1,709 plays).

Get ready to feel old: With "Somebody" having led the Hot 100 the past three weeks, Kimbra is the first woman born in the '90s to lead the list. Kimbra (last name: Johnson) was born March 27, 1990. ●●●

Billboard's Mainstream Top 40, Rhythmic and Adult Top 40 charts rank total weekly plays (for the week ending Sunday) on 138, 68 and 86 stations, respectively, as monitored 24 hours a day, seven days a week by Nielsen BDS. Titles receive bullets if even or gaining in weekly plays. Average Plays per Station reflects Mainstream Top 40 titles' weekly plays totals divided by the number of stations on which they received airplay in the chart's tracking week. Greatest Gainers reflect titles with the top weekly increases in plays. New and Active lists the top titles gaining in plays below the Mainstream Top 40 chart. Chart data presented in this update is preliminary and subject to change, pending final review by Billboard and BDS. Finalized charts can be viewed on Monday afternoon via Nielsen BDS' subscription platforms or via subscription to www.billboardplus.com. © 2012, Prometheus Global Media, LLC and Nielsen BDS, Inc.
